

FUNCTIONAL BEHAVIOR ASSESSMENTS AND BEHAVIOR INTERVENTION PLANS

**ARE BEHAVIORS GETTING IN THE WAY OF
YOUR CHILD'S LEARNING?**

When a child's behaviors interfere with learning, students and teachers need strategies to minimize those behaviors. Join us either in person or online to explore the nature of a child's behavior and when a Functional Behavior Assessment (FBA) should be requested. Whether you are a family member or an educator, learn tools and strategies to support student success.

**The same content will be presented at both sessions.
Choose the option that works best for you!**

Please note: The webinar is not broadcast in our office. To participate you must have access to a computer at another location – your home, office, or other facility.
