

INDIVIDUALIZED EDUCATION PROGRAMS: THE ESSENTIALS

LEARN TO NAVIGATE YOUR CHILD'S SERVICES

When a child qualifies for special education services, federal law requires the development of a document, called an Individualized Education Program. The IEP serves as a roadmap for services, including important information about a child's levels of performance and needs, as well as goals for the child. This webinar will prepare participants to actively participate on the IEP team.

Presented by:

1650 South Avenue, Suite 200 • Rochester, NY 14620
