

TRANSITION 101: FROM HIGH SCHOOL TO ADULTHOOD

LET'S GET READY FOR LIFE AFTER HIGH SCHOOL!

Every student who has an Individualized Education Program (IEP) and is at least 15 years old will also have a transition plan. At this workshop you will learn about the transition process, which is designed to incrementally prepare students to live, learn, and work within the community by providing them with career and life skills, knowledge and experiences. This presentation may include personal perspectives shared by a person with disabilities and family members.
