

ABLE AND SSI BENEFITS: YES YOU CAN WORK AND SAVE WHILE RECEIVING BENEFITS

STARBRIDGE'S COMMUNITY WORK INCENTIVES

COORDINATORS PRESENT:

ABLE Accounts ~ August 16, 2018

The ABLE Act allows people with disabilities to establish a tax-advantaged savings account that can be used to pay for qualified disability expenses such as (but not limited to) housing, transportation and education.

People who receive SSI and/or SSDI may find this webinar useful since the \$2,000 resource limit for Medicaid eligibility does not apply to ABLE account balances. Join us to learn more about ABLE accounts from a state and national perspective.

Work While Receiving SSI ~ September 12, 2018

Adults with disabilities who receive SSI (Supplemental Security Income) cash payments need to know how earnings from work may impact their SSI cash and Medicaid benefits.

Participants will learn how Social Security's SSI work incentives were designed to help individuals maximize their income, often while maintaining valuable Medicaid benefits.
