Imagine how happy it makes **Marilyn** to live the way she wants to live. Multiply that happiness by **2,873** regionally.

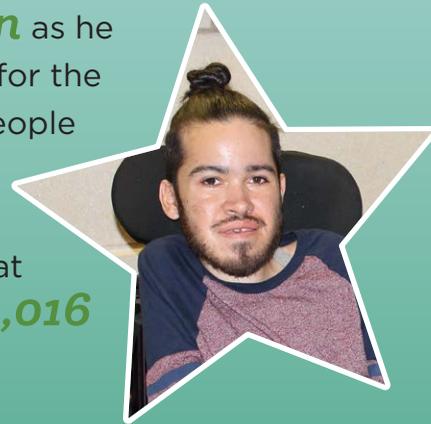

Imagine how good it feels for **Grace's parents** to see her thrive in school when she has the supports she needs. Multiply that by **3,692** families throughout New York State.

Imagine how satisfying it feels for **Shanai** to start a job that makes a difference for others and supports her family. Multiply that impact by **497** here in Rochester.

Imagine how empowering it feels for **Jensen** as he advocates for the rights of people who have disabilities. Multiply that power by **1,016** statewide.

It has been our privilege to partner with Grace's parents, Shanai, Marilyn, Jensen, and thousands more throughout the year.

At Starbridge, we strive to make a positive difference in every life we touch, whether through education, employment, healthy living, or community transformation.
