**JOIN US** for Starbridge's signature series to help your child plan for life after high school. We offer a safe and encouraging environment where your student can both dream and plan. Learn about opportunities and find answers to the questions that are on everyone's minds:

**Where can I live? What are the opportunities for learning?**

**Where can I work? What can I do for fun?**

**What resources can provide support?**

At the end of this program, participants will have the opportunity to apply for funds to support their future vision.

Registration is open to all students in Monroe County NY, ages 15-21, who are living at home and who have established OPWDD eligibility.

**A family member/guardian or family friend must accompany the student to each session.**

**Registration is required. To register, contact Maritza Cubi by phone at 585-435-5481 or email [mcubi@starbridgeinc.org](mailto:mcubi@starbridgeinc.org) . Space is limited and is available on a first-come basis.**

For students receiving traditional OPWDD-funded services, our contract from Region 1 Developmental Disabilities Regional Office covers the cost of your participation.

For students with a Self-Directed budget, OPWDD requires your budget to cover the cost of participation. Please check with your Support Broker if you have questions about utilizing your budget for this program.

## **ATTENTION: COVID-19 SAFETY PRECAUTIONS**

We will have hand sanitizer available. If you or anyone else in your household has tested positive or been exposed to someone who may have COVID within 5 days of this session, please do not attend.
