JOIN US for Starbridge’s one-day event to help you and your child plan for life after high school. We offer a safe and encouraging environment where your student can dream and plan and advocate for their future. Find answers to the questions that are on everyone’s minds:

- Where can I live?
- What are the opportunities for learning?
- Where can I work?
- What can I do for fun?
- What resources can provide support?

At the end of this program, participants will have the opportunity to apply for funds to support their future vision.

Registration is open to all students in Monroe County NY, ages 15-21, who are living at home and who have established DDRO eligibility.

A family member/guardian or family friend must accompany the student to the session.

Registration is required. To register, contact Maritza Cubi by phone at 585-435-5481 or email mcubi@starbridgeinc.org

For students receiving traditional OPWDD-funded services, our grant from Region 1 Developmental Disabilities Regional Office covers the cost of your participation.

For students with a Self-Directed budget, OPWDD requires your budget to cover the cost of participation. Please check with your Support Broker if you have questions about utilizing your budget for this program.

Creating a Life After High School will be co-hosted by the Access to College Experiences (ACE) Monroe Community College.

Tuesday, August 22, 2023
10:00am to 4:00pm
Lunch and gas cards will be provided.

MCC Downtown Campus
321 State Street, Rochester, NY 14608
