

Our Impact 2019

Education
—
Employment
—
Healthy Living

4,737

people worked with us to improve **educational outcomes** for their children or students

474

people developed **job skills**, completed **internships**, or obtained competitive **employment**

1,645

people partnered with us for the **supports and opportunities** they need for **healthy living**

In total, Starbridge served more than **10,600 people** during 2019.

Our **Employment Services** grew by 15%, connecting more job seekers with the training and experience needed to get jobs.

Our **Family Outreach** in Allegany & Cattaraugus counties reached 10 times the number we reached in 2018, offering fun events for the whole family—and connecting parents and caregivers to a network of supports for their children.

Our **Fiscal Intermediary** service grew by 20% during 2019. As the first agency to provide this service in the Finger Lakes region, we empower people with disabilities to direct their own lives every day.

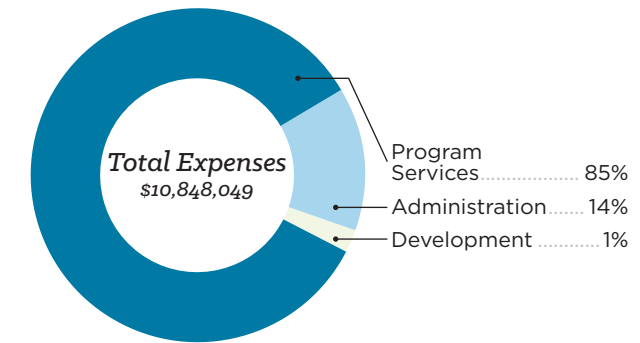

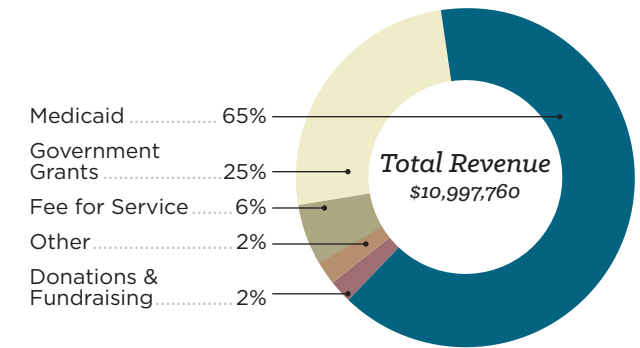

Our **Parent Center** supported families and educators across NYS to advocate, collaborate, and meet students' needs.
