● Development	\$ 242,397

Total Expenses

\$ 21,261,464

Transforming Hope into Lives

Working alongside Starbridge this year has been an incredible journey for both HOPE585 and our entire community. By integrating the Science of Hope into Starbridge's programs and collaboratively educating over 200 community partners at the Bridging the Hope and How Conference, we have sparked a significant wave of change. Together, we are transforming hope into action, fostering a community that believes in the power of hope. Starbridge truly exemplifies a hope-centered organization committed to collaboration and excellence."

Dr. Ashley Cross

Executive Director, HOPE 585

statements of **IMPACT**

Creating Pathways in our Community

RochesterWorks! is proud to collaborate with Starbridge to create meaningful pathways for individuals facing employment barriers. Through WIOA, Gun Violence, and Summer Employment funding, we support Starbridge's in-school and out-of-school youth programs. Our partnership provides critical resources, training, and opportunities that expose individuals to career possibilities and empower them to build sustainable futures. Together, we break down barriers and open doors to workforce success, ensuring everyone has the support they need to thrive."

Antwan Williams

Director of Youth System Services
RochesterWorks!

Partnering for Better Outcomes

As a parent leader of the Special Education Parent Advisory Council (SEPAC) since its inception in 2017, I have been privileged to have Starbridge as a consistent and key community partner. Together, we support families navigating the special education journey within the Rochester City School District."

Cheryl Carleton

Co-President of Rochester Special Education Parent Advisory Council

Opening Doors, Empowering Choices

This session was a great opportunity to highlight SDMNY, NYS's groundbreaking Supported Decision-Making project, now recognized by the United Nations as one of two model examples for the entire world! It was especially meaningful to have a panel of leaders in this work, who happen also to be local to the Rochester area, speak from their first-hand experiences. It is always wonderful to collaborate with Starbridge whose credibility, passion, and expertise are recognized and respected across the state!"

Naomi Brickel

Director of SDMNY
